Feedback and Concerns

Who we are

Legal Aid Saskatchewan serves people who need legal help with criminal matters or family issues who cannot afford to hire a lawyer on their own.

Do you have a complaint about someone who is getting help from Legal Aid?

We investigate all concerns that are received in writing at our Head Office. If you have reason to believe someone who is receiving Legal Aid is not eligible, please write down your concerns and send them to Head Office.

Because of privacy, we are not able to tell you what we discover after the investigation.

Do you have a complaint about your Legal Aid Lawyer?

Your Legal Aid lawyer works to solve your legal problem in the best way. She or he will give you legal advice, explain your choices and what might happen based on those choices. Your Legal Aid lawyer helps you understand your case.

If you have a complaint about the way your lawyer is treating your case, try talking to the lawyer about it. If that does not work, write down your concerns and send them to head office.
